CHARACTERISTICS OF GEM

CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Save as disclosed above, each of the Retiring Directors (i) had not held any directorship in the last three years in any public company, the securities of which are listed on any securities market in Hong Kong or overseas; and (ii) confirms with respect to him that as at the Latest Practicable Date: (a) he did not hold other positions in the Company or other members of the Group; (b) he did not have any relationship with any other Directors, senior management, substantial shareholder or controlling shareholder of the Company; and (c) he did not have any interests in the Shares within the meaning of Part XV of the SFO.

This appendix serves as an explanatory statement, as required by Rule 13.08 of the GEM Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the 2017 AGM granting the Repurchase Mandate.

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

1. SHAREHOLDERS' APPROVAL

All proposed repurchase of Shares on the Stock Exchange by the Company must be approved in advance by the Shareholders by an ordinary resolution of the Company, either by way of a general mandate or by a specific approval to the Directors.

2. REPURCHASE OF SECURITIES FROM CORE CONNECTED PERSONS

Under the GEM Listing Rules, the Company is prohibited from knowingly purchasing Shares on the Stock Exchange from a core connected person.

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 399,158,496 Shares. Subject to the passing of the proposed ordinary resolution for the approval of the Repurchase Mandate, and assuming that no further Shares are issued and no Shares are repurchased and cancelled after the Latest Practicable Date and up to the date of passing such resolution at the 2017 AGM, the Directors would be authorised to repurchase up to a maximum of 39,915,849 Shares, representing 10% of the total number of the issued Shares as at the date of passing the relevant resolution. The Repurchase Mandate will end on the earliest of (i) the conclusion of the next AGM; (ii) the expiration of the period within which the next AGM is required to be held by the Constitution or any applicable laws of Singapore; and (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

4. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

5. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's funds legally available in accordance with the laws of Singapore and the amended and restated Constitution for such purpose.

6. IMPACT ON WORKING CAPITAL OR GEARING POSITION

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital or gearing position of the Company when compared with that as at 31 May 2017, being the date of its latest published audited consolidated financial statements. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company, which in the opinion of the Directors are from time to time appropriate for the Company.

7. SHARE PRICES

The highest and lowest market prices at which the Shares had been traded on GEM since the Listing Date and up to the Latest Practicable Date were as follows:

Month	Traded Price (HK\$)	
	Highest	Lowest
2016		
December (since the Listing Date)	0.720	0.490
2017		
January	0.580	0.455
February	0.530	0.445
March	0.500	0.350
April	0.440	0.370
May	0.540	0.405
June	0.620	0.470
July	0.670	0.550
August (up to and including the Last Practicable Date)	0.670	0.550

8. DIRECTORS AND THEIR CLOSE ASSOCIATES

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, have any present intention to sell to the Company or any member of the Group any of the Shares if the Repurchase Mandate is approved at the 2017 AGM.

9. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Singapore.

10. EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, pursuant to the confirmatory deed dated 1 May 2016, Mr. Lau E Choon Alex and Mr. Ong Swee Heng (collectively, the "Founders"), both being executive Directors, and other Shareholders (who are current/former members of the management and staff who obtained the Shares as part of their employment incentive, business and personal acquaintances of the Founders who invested in the Company in their personal capacities, and a venture capital fund which subscribed for the Shares as a financial investment and focuses on investing in Asia-based, early stage technology start-ups) confirming their acting in concert arrangement, were interested in 241,293,334 Shares, representing 60.45% of the total number of issued Shares. In the event that the Directors exercise in full the Repurchase Mandate, assuming that the present shareholdings and capital structure of the Company remain the same, the interests in the Company of the above controlling shareholders of the Company would be increased to approximately 67.17% of the total number of the issued Shares and such increase will not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase of Shares under the Repurchase Mandate.

Furthermore, the Directors confirm that the Repurchase Mandate will not be exercised to the extent as may result in the amount of the issued Shares held by the public being reduced to less than 25% thereof.

11. SHARES REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) since the Listing Date up to the Latest Practicable Date.
